Saturday and Sunday
Friday night 7-9pm

Highlights

- ◆ **Technical Session, Friday 7-9pm**
- ◆ Learn all about stacking bales
- ◆ Notching and custom bale making
- ◆ Window detailing and prepping for plasters
- ◆ Plastering bales
- ◆ ALL IN ONE WEEKEND - only \$50

LUNCH PROVIDED!

- bring a plate and utensils

Weekend workshops raising the walls of a post and beam strawbale home. Join the fun and get hands-on training—we'll show you everything you need to know; starting with an information filled evening technical session on Friday night. Then two days working on a real strawbale house. Led by Michael Thomas with 20 years experience building strawbale homes.
